### Starter A1 Module 1 Learn conversations in a short time!

The Japan Foundation has been developing course books to embody the JF Standard for Japanese Language Education and to use them for Japanese language courses in overseas JF centers. The commercial version of 'MARUGOTO: Japanese Language and Culture (A1)', the first book of the series, was published in Oct 2013. Aimed at using Japanese language for mutual understanding, 'Marugoto' is designed for learning not only the Japanese language but Japanese culture, as well. Grammar and writing of Japanese characters will not be the main focus of the course.
