Kana Art Competition (Kana Com) Workshop 2018

Let's design unique Japanese letters

What is Kana Competition or Kana Com?

It is a competition of graphic design using only Japanese letters such as Hiragana and Katakana. In Philippines, the 1st Kana Com was hosted by Ateneo de Manila University. Now, we will be having our 2nd Kana Art Competition on the same venue. The deadline for submission is on March 8, 2018 (Thursday). (<http://bit.ly/2xeq4wA>)

In South Korea, Kana Com has been conducted since 2015 which was hosted by the Japan Foundation Seoul. They already posted over 2700 artworks. You may visit the link page to see the winners. (<http://jfkanacon.org/archive>)

Everyone is welcome to join Kana Com even if they did not learn Japanese language at all since they will only be designing using some Japanese letters. In this workshop, we will introduce how to design Japanese letters first then after that, participants will create their own artwork freely. Participation is absolutely for free. So, let's enjoy making our own artwork using our creativity!

LIMITED SLOTS ONLY. Maximum of 30 participants per venue shall be accommodated.

Please register online through the following link:
