MARUGOTO

Conversational Japanese for everyone

初級 2 A2 (Elementary 2) モジュール3

The Japan Foundation has been developing course books to embody the JF Standard for Japanese-Language Education and to use them for Japanese language courses in JF overseas centers. 'MARUGOTO: Japanese language and Culture A1', the first book of the series, was published in May 2011.

Aiming at Japanese-language for mutual understanding, 'Marugoto' is designed for learning not only the Japanese language but Japanese culture as well. Grammar and writing of Japanese characters will not be the main focus of the course.
