### **Requirement Specifications**

#### **1. Subject of Contract**

Online Application System for JLPT in the Philippines

#### **2. Background**

Japanese Language Proficiency Test (JLPT) is held on July and December every year. The test was most recently held on December 2019 in four cities (Manila, Cebu, Davao and Cagayan de Oro) with five levels (N1 to N5), and about 12,000 examinees took the test.

To reduce the risk of Covid-19 infections and improve the efficiency of the JLPT management of host institutions, there is an urgent need to develop an online system to carry out a series of procedures, from registration, payment of examination fee and issuance of test voucher.

#### **3. Date of completion of the online application system: July 31, 2022**

4. Payment method: Payment should be made upon completion of the filing the online application system (50% of advance payment is also acceptable).

#### **5. Overall Description**

Develop an online system that 1) allows applicants to apply for the JLPT using a PC or smartphone; 2) allows applicants to pay online and print out the test voucher without visiting the host institution; 3) can easily convert the applicant data into the format specified by the consignor, and; 4) to be connected to the registration form on the designated website of JFM or other local host institutions.

#### **6. Process Schedule**

Construction of the system: May 2022 - July 2022
