4) Others:

- The product must be recognized as having low supply chain risk in light of the consensus within the Japanese government on the purchase of information devices.
- Delivery has to be at The Japan Foundation, Manila office.
- Each tablet must be tested by the engineers one by one and must be completed by **October 18, 2024**.
- During the operation and upon testing the unit, once the tablets, accessories or boxes are damaged, we will not accept them. Please handle them with care.
- The delivery period must be from **September 1, 2024** to **October 18, 2024**. Changes to the delivery date outside of the period above are not allowed under any circumstances.
- Payment is made by bank transfer, 50% down payment and 50% upon completion of unit test. The first 50% down payment is going to be done within 7 days after The Japan Foundation receives the order form.
- For bidding qualifications, you may submit a certified copy of the company registry, tax payment certificate, financial statements, average annual sales volume, delivery record including large volume imports, total equity, years in business, etc.

For details, please contact The Japan Foundation, Manila in writing in Japanese or English by email: epa.ph.2019@jfmo.org.ph
